

# Once again Global Century is doing more for the Producer...

## HOW YOUR EXTRA COMMISSION PLAN WITH GLOBAL CENTURY WORKS:

With Global Century's extra commission plan for star producers, every producer is automatically evaluated during each quarter. Producers that qualify based on trailing premium volume and loss ratio are designated **BRONZE**, **SILVER**, **GOLD** or **PLATINUM** star producers.

## STAR PRODUCER QUALIFICATION AND DESIGNATION:

NET ANNUAL PREMIUM	COMMISSION RATE %	DESIGNATION
No Volume Requirement	10%	BRONZE
300K or More	11%	SILVER
600K or More	12%	GOLD
800K or More	12.5%	PLATINUM

Loss Ratios of more than 50% will result in BRONZE level commission rate of 10%.
